firefuded 30 to 35 Germans. Those examinous who lived to Broomey were nitherly

not inducted, but were, starting in September 1954, required frequently to attend 2 nour training courses. For this kind of training, old inifering and long (mech rifles were alored to the leba, tablile fact by in Breamon. Two Mios 25X1 directed this training which included simple dutil practices and training with affles. The exercises were observed for the last time in February 1955. A member of the 1954 class who had a German father and a Slovak mother was mustered in the apring of 1954, and, after another registration was inducted in Octobe. 1954.

3. In August 1954, a barrack camp which quartered dzech border guard troops who were green service color was observed in the wooded area shout a kalometer west of krystofovy Hamry (Chrostophhammer, N 51/K 82) and just north of the Vejprty (Weipert, N 51/K 72) highway. A tarbed-ware obstacle of several lines allegeily extended along the Czech-Saxonian border between krystofovy Hamry and Vejprty.
